Wendover Shed

What is Wendover Shed?

Wendover Shed is a community project to set up a shared space where people can meet to create and share practical projects, with access to working facilities, tools, and each other's help and experience. The goal is to promote health and well-being through social interaction and practical activities.

The Wendover Shed will be similar to a garden shed – a place to pursue practical interests at leisure, to practice skills and enjoy making and mending. The difference is that garden sheds and their activities are often solitary in nature while the Wendover Shed will be the opposite. It will be about social connections and friendship building, sharing skills and knowledge, and of course a lot of laughter.

For a long time research has shown the negative impact of loneliness and isolation on a person's health and wellbeing. Recently it is better understood that loneliness and isolation can be as hazardous to our health as obesity and excessive smoking. Surveys from mental health charities are finding that millions of people report feeling lonely on a daily basis.

The Wendover Shed will be about meeting like-minded people and having someone to share your worries with. It is about having fun, sharing skills and knowledge with like-minded people and gaining a renewed sense of purpose and belonging. As a by-product of all of that they reduce isolation and feelings of loneliness, they allow people to deal with mental health challenges more easily and remain independent, they rebuild communities and in many cases, they save lives.

Who should Join Wendover Shed?

We like to understand each member's personal interests, skills and motivations to ensure the best access to our facilities.

You might be looking to join our practical make and mend sessions or simply meet up for a coffee and a natter. You might want to help us paint our new shed or help us with a small garden outside. Alternatively, you may be looking to get more involved as a volunteer, helper or sponsor to support our activities.

Once we receive your membership form, we will be in contact to understand how you would like to get involved.

Donations

We suggest our members pay an annual membership donation of £15, with a £2 donation per visit (payable only once per week). Donations can be made online, by bank transfer or in person at the shed. Annual membership donation is due on 1 April each year, reducing pro-rata for people joining mid-year. Payment details are available at the shed.
